## Some Glimpse of Events:

### Registration:

### Breakfast:

## Inauguration:

The 10th anniversary of TechVision-2025 underscores the MCA Department & Shri. C. J. Patel College of Computer Studies (BCA) commitment to nurturing innovation and excellence in the field of computer applications. The event's success reflects the department's dedication to providing students with opportunities to develop their technical and creative abilities.

## Technical & Non Technical Events : - Track – 1

### 1. Tech Rangoli

As part of TechVision 2025, Tech Rangoli is a cutting-edge exhibition combining creativity, technology, and futuristic concepts. It symbolizes the balance between history and progress by fusing technology breakthroughs with artistic expression. In order to produce aesthetically beautiful and intellectually complex Rangoli designs that embody the future of technology, participants utilize digital tools, artificial intelligence, robots, and coding.

This event aims to inspire tech enthusiasts, designers, and engineers to think creatively and push the boundaries of innovation.

## 2. Tech Presentation

TechVision 2025's Tech Presentation provides a forum for researchers, inventors, and tech enthusiasts to present innovative concepts and technological breakthroughs. This event, which covers new topics including artificial intelligence, robotics, the Internet of Things, and sustainable technology, encourages cooperation and knowledge exchange.

Presenting their innovative projects, participants show how technology might influence the future. It's a chance to network with professionals, learn new things, and stimulate the next generation of creative thinking.

### 3. Web Spear (Web Designing)

Web designers and developers can demonstrate their abilities and inventiveness at TechVision 2025's Web Spear. It emphasizes UI/UX, contemporary web design, and the newest technologies to produce interesting and user-friendly websites. This is an excellent platform for learning, creating, and investigating web development's future.

## Track – 2

### 1. Poster Presentation

At TechVision 2025, innovators have the opportunity to visually engage their research, ideas, and projects through the Poster Presentation. To effectively convey their ideas, participants design imaginative and educational posters. This gathering promotes innovation, knowledge exchange, and conversation about cutting-edge technologies, igniting fresh concepts and teamwork.

## 2. Code Villa (Programming)

TechVision 2025's Code Villa is a creative and competitive coding competition where programmers demonstrate their ability to solve problems. In addition to exploring the newest programming trends, participants will take on coding problems and come up with creative solutions.

This event gives programmers a fantastic opportunity to learn, compete, and work together while encouraging rational thinking, efficiency, and creativity.

### 3. Tech Quiz

The **Kahoot!** software will be used to host the **Tech Quiz** at TechVision 2025, making it an exciting and interactive event. Through entertaining, quick-paced tests, participants will assess their understanding of innovation, technology, and new trends. This event promotes quick thinking, learning, and competition in an engaging digital format with live participation and instant scoring.

## Expert Talk on: -

### “Cyber Security: Impacts of AI & ML in Threat Detection”

The guest speaker presentation was given by **Mr. Ravi Raval** the **CEO & Director of Tech Owl Info. Pvt. Ltd.** on the topic **“Cyber Security: Impacts of AI & ML in Threat Detection.”** He spoke about how Artificial Intelligence & Machine Learning makes cyber threat detection easier and more efficient which highlight security and reduce risks. It was a successful event in capturing our attention, sharing ideas, and enhancing technology

## Valedictory Ceremony

The ceremony for the awarding of TechVision 2025 was graced by important dignitaries including **Shri Prakash Patel (President of SPU)**, along with the **Dr. Prafulkumar Udani (Provost of SPU)**, and **Dr H. N. Shah (Director of Technical Courses FET, SPU)**. The ceremony was convened by **Dr. P. J. Patel (Principal of SPCE)**, **Dr. K. J. Modi (Dean of FCS-SPCE)**. Co conveners included **Dr. Mahammad Idrish I. Sandhi (Associate Dean, FCS & HOD, MCA-SPCE)**, **Dr. Abhijeetsinh B. Jadeja (Principal, SCJPCCS, SPU)**.

## Welcome Memento for Judges

At TechVision 2025, a Welcome Memento was presented to the judges as a token of appreciation for their time and expertise. It was a gesture of gratitude for their valuable role in evaluating event and guiding participants with their insights.

## Prize Distribution

The TechVision 2025 Prize Distribution Ceremony honored the skill and diligence of competitors in a number of activities. Tech Rangoli, Tech Presentation, Web Spear (Web Designing), Poster Presentation, Code Villa (Programming), and Tech Quiz were among the technical events for which winners received awards for their outstanding performance.

Additionally, the event honored spontaneity and inventiveness in non-technical events including Selfie with College and Just a Minute. The event was a proud occasion that celebrated creativity, talent, and fervent involvement.

## Feedback & Vote of Tanks

At **TechVision 2025**, **Dr. K.J. Modi** (Dean FCS-SPCE) and other faculty members shared positive feedback, appreciating the event's success in promoting innovation and student engagement. They acknowledged the efforts of all participants and organizers in making the event memorable. The ceremony concluded with a **Vote of Thanks** by **Prof. Piyush A. Patel**, who expressed gratitude to everyone involved for their contribution to the event's success.
